MYST

**Milwaukee Youth
Sailing Team**

**Competitive high
school sailing through
ISSA (Interscholastic
Sailing Association)**

We do it all!

The MYST sailors practice on Lake Michigan and Pewaukee Lake to provide them with a well rounded feel of sailing on different bodies of water.

We compete using 420's and Lasers. This past year sailors took part in fleet and team racing.

1st and 3rd, 2009 Fall Colors Regatta, WCSC

2nd both Gold and Silver Divisions, 2009 Great Oaks National Regatta, New Orleans

Leaving the competition in our MYST

Race with MYST: Co-ed high school sailing in the Milwaukee area

The Milwaukee Youth Sailing Team fills the gap for area youth sailors with the resources necessary to develop their racing skills by building upon the foundation laid by our junior sailing schools.

MYST provides high school students with the opportunity to enhance their performance. We compete against others located within the Midwest (MWISSA) during the school year and in the summer through the Lake Michigan Sail Racing Federation (LMSRF).

Our goal is to improve their racing proficiency in a supportive environment with sophisticated coaching. This better prepares them to race against the finest sailors in the United States creating mature racers.

Be MYST
