## A message from the Commodore

Welcome to the 2011 season. We are busy once again looking for the leaks in the buoys and checking out the race gear. Hopefully, everyone has renewed their membership for the year (hint hint). This year, we hope to expand some of the regular events and maybe even add a few more. We have new members, new boats. Joe and Caroline Duehmig have bought an Ericson 36, Charlie is bringing "yep its Jep" (ask him how it got its name) Phil McCall has a new boat (anyone want to buy a Hunter 265) and a few boats retiring (Steve has sold B'haven). With the size of the fleet we now have we are looking at increasing the starts. This and other decisions will be taken during the race meeting on April 6<sup>th</sup>.

The Mast Awards banquet held in February was very well attended again with around 70+ people. Included are some pictures from the Event. Once again, we have agreed to run a MAST poker run for the summer Sailstice on Saturday June 18. This year it does

not clash with any bay racing and with more advertising we hope to make this a larger event all round. The evening event this year will be at South Shore Yacht club. The Sailstice steering committee, comprising of the sailing groups in the bay, have met twice and we have had one meeting focused on the MAST activities. We are looking for volunteers both to help organize as well as work the stations on the day. Please contact Tom Heinrich, Lisa Roeder or myself if you would like to help.

Ken Quant has offered to put together a cruising event in the Caribbean He has put up a survey on <http://www.zoomerang.com/Survey/U2HCEAHHVPGS>. Please fill it in if you are interested.

**MAST Racing Skippers,**

I was just in contact with Glen Kennedy who organizes **Yacht Blast For Kids**. In the past few years, Yacht Blast had two parts. During the day, skippers would donate rides in the Milwaukee Harbor to Make-A-Wish kids and their families. Afterward there was a dinner fundraiser event for Make-A-Wish.

This year's event is tentatively planned for August 27, 2011. They are tentatively thinking about expanding this year's event to also include a sailboat race. (The Wish kids would NOT be included in the sailboat race portion in case you were wondering.) The race would be similar to Louis Last Regatta in that the proceeds would be donated, in this case to the Make-A-Wish foundation. A special point multiplier system will incent boats to donate and compete well. Racers would also be invited to participate in a post race party at MYC with silent auctions, live auctions, etc.

Let me know your initial interest by reply and mark your calendar. Finally, please tell me if you know of any other significant sailing event that day that might detract from attendance.

## Learn the Basic Rules

As the size of the MAST fleet has increased, so has the potential for on-course incidents between boats. A simple way for us all to minimize this problem is for every skipper to read and understand the basic racing rules.

Please take the time to read MAST's Basic Sailing Rules document that is posted on the MAST home page. It is a highly simplified version of the rules we should all know before hitting the starting line this summer.
