

## **Join MAST in 2011!!**

MAST was organized by a group of trailer sailors who shared interests in sailing and skiing. MAST enters 2011 celebrating its thirty-sixth year.

MAST is an organization whose aim is to bring a safe social racing circuit to the Milwaukee area as well as provide “off water” social events for it’s members.

The MAST fleet races Friday nights during the summer (approx. 16 races) and typically has a fleet of 30+ boats of varying speeds, lengths and abilities on the water. These are divided into three divisions based on PHRF ratings. All new members are welcome, and racing assistance will be provided for new racers if requested.

Our goal is for everyone to have an enjoyable time and to become confident in racing. Many of our members move on to the more competitive circuits of MYC and SSYC.

MAST also has an active non racing group who meet regularly and provide social events throughout the year. Members of all ages are encouraged to participate in organizational functions.

Some of the social events include: Spring Brunch, Christmas Dinner, Racing Rule workshops, and guest speakers on a variety of topics. We also arrange cruising trips to nearby local ports. Some races include a post race pizza party in the McKinley Marina area.

Club dues are \$25.00 per year per family (\$30 extra to race for the season). Membership is effective upon application and payment of dues.

The MAST BREEZE newsletter is distributed to members regularly. Mast is affiliated with L.M.Y.A.
